Sheila Boneham's book, *The Multiple Cat Family*, (TFH, 2009) has been awarded the Muse Medallion for Best Health and General Care book of the year by the Cat Writers' Association. The book also won a CWA Award of Excellence in this highly competitive category of the annual writing competition. Sheila's other two books about cats (2005 & 2008) have also won Awards of Excellence; the 2005 book also won a Muse, and the other was a finalist.
